Felony Disqualification: Because any person convicted of a felony is disqualified from being employed as a peace officer under Government Code Section 1029, an applicant with a felony conviction will not be accepted for this examination.

In completing the Examination Application, you may answer "NO" to the question "Have you ever been convicted by any court of a felony?" if:

(1) The record of such an incident has been sealed in accordance with Penal Code Sections 851.7, 861.8, 1000.5, 1203.45; or

(2) The record of such an incident has been or can be expunged pursuant to Health and Safety Code Section 11361.5, which pertains to various marijuana offenses; or

(3) The conviction was under Health and Safety Code Section 11557 or its successor 11366, when that conviction was stipulated or designated to be a lesser included offense of the offenses of possession of marijuana.

However, you must list the conviction if you have received a release (per Penal Code Section 1203.4 or 1203.4a or Welfare and Institutions Code Section 1179 or 1772) or a pardon (per Penal Code Section 4852.16).

Background Investigation: If you are successful in this examination, you may be required to complete a background investigation form disclosing (with the exception of the three items numbered above) information on arrests regardless of conviction, felony and non-felony convictions, and driving violations. Candidates for peace officer positions will be fingerprinted for search of local, State, and national fingerprint files to disclose any criminal record. The hiring agency uses this information to determine your suitability to become a peace officer.

Information collected for a background investigation after the examination is distinct from that required on the Examination Application (Std. Form 678) which is filled out prior to the examination. You will be required to divulge arrest and/or conviction information on the background investigation document that is not required of you when completing the Examination Application.

Denial of an application for citizenship shall result in termination of employment. Drug Testing Requirement: Applicants for positions in this classification are required to pass a drug screening test. Use of hard drugs (e.g., heroin, cocaine, or hallucinogenic) at any time as an adult constitutes basis for disqualification from peace officer examinations. The drug screening test will be waived for Department of Corrections and Rehabilitations' employees who are currently in a designated "sensitive" class for which drug testing is required under State Personnel Board, Rule 213.

Pre-Employment Medical Examinations: Physical and psychological suitability examinations are conducted prior to appointment. Tests include TB skin test, urinalysis, complete blood count, blood chemistry panel, VDRL, a general physical examination, and other tests if necessary. Any limitation which restricts a person from safely performing the essential functions of the position may constitute basis for removal of the candidate's name from the eligible list.

High School Equivalence for Peace Officer Classifications: Equivalence to completion of the 12th grade may be demonstrated by: 1) passing the California High School Proficiency Test; 2) passing the General Educational Development (GED) test indicating high school graduation level; or 3) possession of a degree (Associate of Arts or higher) from an accredited college.
